

**Supervised Access  
Allegations of Sexual Abuse**

Re: \_\_\_\_\_ (client's name)

The following restrictions apply to all cases where allegations of sexual abuse have been raised;

1. One-on-one supervision only;
2. No photographs, video or audio taping allowed;
3. No touching, snuggling, hair brushing, kissing, stroking, lap sitting, tickling, or roughhousing;
4. Any physical contact is to be initiated by the child only and must be brief. Any prolonged behavior will be stopped immediately by the staff;
5. No objects from home are permitted in the visit;
6. Visiting parent is not allowed to assist child in the bathroom; and
7. There is to be no exchanges of gifts, money or cards.

I have read and understand the information above. I acknowledge this has been discussed with me and I agree to comply with the additional restrictions. I understand that the original policies and procedures continue to be in effect.
